

EDSS Project Bulletin

Australian Federal Police Building
Builder: Matrix Projects QLD Pty Ltd
Contract Period: 12
Contract value: \$1,600,000.00

Electrical Data & Security Services

Electrical Data & Security Services (EDSS) has completed the electrical component of the newly constructed Australian Federal Police building located at Lobelia Circle, Brisbane Airport. The structure is a six (6) story commercial building including an underground car park and rooftop mechanical plant deck. This modern complex has been built to an energy efficient 4½-star Green Star rating with provisions for future expansion.

EDSS was subcontracted to complete the following scope of works;

- Power, Lighting & Lighting Control installation
- Lightning Protection installation
- Security & CCTV
- Fire Detection
- Communications
- Cable Supports
- Mains & Sub-mains
- Distribution Boards & Switchboards
- Uninterruptible Power Supply
- Transformer
- Generator
- BMS Services Interface
- Green Star Electrical Metering
- Car park and pathway lighting
