

EDSS Project Bulletin

Domain Varsity Rise Aged Care Facility
Builder: GEO Developments Pty Ltd
Contract Period: 52 Weeks
Contract value: \$1,600,000.00

Project Details

Domain Varsity Rise is a contemporary multi-level residence built with its residents' need for a peaceful yet community-integrated lifestyle in mind.

Completed in April 2009, Domain Varsity Rise offers 80 Low Care and 40 High Care places for residents requiring quality accommodation, including Dementia specific and special needs care options.

The region of Varsity Lakes is currently one of the Gold Coast's most sought-after residential areas.

Our ability to supply all of the required electrical contracting services enabled EDSS to be the successful tenderer.

The electrical component of the project was completed in 52 weeks and included -

- Electrical Installation
- Submain Cabling
- Power Installation
- Lighting
- Communication
- MATV System
- Audio Visual
