

EDSS Project Bulletin

Lawnton Warehouse Development Building
Builder: Astute Projects Pty Ltd
Contract Period: 12
Contract value: \$ 186,000.00

Electrical Data & Security Services (EDSS) are happy to announce the completion of the Lawnton Warehouse Development Building for Astute Projects Pty Ltd.

EDSS completed the electrical works on this new commercial building, undertaking the supply and installation of all lighting both internal and external including the emergency lighting. As well as supply and installation of all power, communications and underground reticulation works. An additional meter panel and Switchboard was also supplied and installed. All mains, sub-mains and lightning protection including surge diverters were also supplied and installed by EDSS.

We at EDSS are very pleased with the final results of the Lawnton Warehouse Development Building. With our extensive planning and the constant communication with our client's project team, we have completed this project within the contract period while maintaining our high level of quality.
