

EDSS Project Bulletin

Ormeau Woods State High School – Stage 2
Builder: Matrix Projects (Queensland)
Contract Period: 21 Weeks
Contract value: \$898,090.00

Project Details

This project was the second stage to complete works at Ormeau Woods State High School. EDSS delivered full electrical contracting services to assist in the completion of:

- Sporting Hall
- Manual Arts Block
- Science Block
- Home Economics Block
- Teacher's Staff Block
- Amenities and Undercover Area

The scope of services provided by EDSS included:

- Fire
- Data & Security
- Communications
- CCTV
- Light and power

This Project was successfully completed under budget and within the time frame given by Matrix.

EDSS worked to a tight schedule to get the second stage developments of Ormeau Woods State High School ready for the students and staff to utilise and gain the benefits of their improved facilities.

Throughout the project EDSS established great working relationships with Matrix through our hard work and dedication to complete this project.
