

EDSS Project Bulletin

Student Accommodation – Regent St, Woolloongabba

Builder: McNab NQ Pty Ltd

Contract Period: 52

Contract value: \$1,170,000.00

EDSS were contracted by McNab NQ Pty Ltd to complete the electrical design and construct package for the 11 storey, 286 bed Student Accommodation facility. Located at Regent Street Woolloongabba, the building was specifically designed to provide quality accommodation to students, giving them a choice of a 5 bedroom or Studio apartment.

The scope of works included the supply and installation of:

- Main Switchboard
- Metering Panels
- Mains and Sub-main cabling
- Internal and External Lighting and Power
- Communications Cabling
- Emergency and Exit Lighting
- CCTV and Security System
- 200kVA Back-up Generator

EDSS worked closely with McNab throughout the duration of the project to maintain our high standard of quality whilst completing the project in a timely manner.

EDSS look forward to working alongside McNab on future projects.
