

EDSS Project Bulletin

Sleeman Centre BMX Facilities
Builder: Watpac Construction
Contract Period: 12 Weeks
Contract value: \$357,890.00

Project Details

The Sleeman Centre in Chandler, Queensland now boasts an Olympic standard BMX Track, said to be the best promotion this sport has seen in Queensland.

The first of its kind in the southern hemisphere, BMX Australia President Barry Knight describes the track as a spectacular training facility for elite riders whilst providing the opportunity for Queensland to host more international events.

EDSS has been privileged to contribute towards the world class facilities. Our scope of services included –

- Lighting installation & control
- Electrical distribution boards
- Underground works
- General power
- Security
- CCTV and Communication systems
