

EDSS Project Bulletin

The Mac Services – Modular Buildings

Builder: The Mac Services Group

Contract Period: January 2012 - Current

Electrical Data & Security Services

Electrical, Data & Security Services was engaged by The MAC Services Group to provide electrical services to their transportable building manufacturing operation.

EDSS has completed more than 1000 Rooms with The MAC Services Manufacturing Team. Completing up to 60 rooms every week, EDSS Electricians have to ensure manufacturing timeframes are achieved every time.

Our contract with The MAC Services Group has expanded to include 4 bedroom fly camp modules, laundry facilities, disabled buildings and more recently multiple module buildings.
